Integrated Algebra Math Regents

Become a Learning Leader! We need Parent Volunteers. Earn Scholar Dollars for your scholar every time you attend a parent meeting or conference.

We are so proud to bring back for our scholars the opportunity to take the Integrated Algebra Math Regents. In preparation for the Integrated Algebra Math Regents, Mr. Garber will be hosting a Morning Tutorial for select scholars. The scholars benefit from taking the regents by being more attractive to specialized and high performing high schools and being ahead in high school mathematics; thus being able to take Advanced Placement (AP) classes in high school that earn them college credits at little or no cost. The Regent exam will be administered on June 13-22, 2011. It is imperative that the scholars continue to be dedicated and attend all Morning Tutorial Sessions and the Scholar Weekly Academy Sessions with Mr. Garber. The Morning Tutorial will be held Monday through Thursday mornings from 7:30am-8:15am beginning on October 3, 2011. Thank you for your continued support!

We ask that parents help us provide the...
Barron's Regents Exams and Answers-

Mission Statement

Beginning with Children Charter School is a diverse, caring and nurturing learning community that fosters high academic achievement and the development of ethical character for elementary and middle school scholars. An enriched curriculum and dynamic partnerships between the school, families and community enable all scholars to excel. Continual assessment and evaluation enhance the educational program. BwCCS prepares graduates for success in high school, college and beyond by developing independent thinkers and active citizens.
