November 2011

Parent Teacher Conferences ~ Fall

During the conferences, Report Cards will be distributed. Teachers need your help to do a first-class job. Together, you can help your child have a great school year. Before you go to the meeting...

Make a list: List topics to discuss with the teacher. Along with questions about academics and behavior; You may want to talk to the teacher about the child's home life, personality, concerns, habits and hobbies, and other topics that may help the teacher in working with your child.

Ask Questions: Questions you ask during the conference can help you express your hopes for the scholars success in class and for the teacher. It's a good idea to ask the important questions first, to maximize the valuable time you have with the teachers.

The teachers' answers should help you both work together positively.

Thank you for your continued support!

Scholars' Weekly Academy will not be in session on November 15th and 16th 2011.

Mission Statement

Beginning with Children Charter School is a diverse, caring and nurturing learning community that fosters high academic achievement and the development of ethical character for elementary and middle school scholars. An enriched curriculum and dynamic partnerships between the school, families and community enable all scholars to excel. Continual assessment and evaluation enhance the educational program. BwCCS prepares graduates for success in high school, college and beyond by developing independent thinkers and active citizens.
